

October 30, 2018

To Whom It May Concern:

The purpose of this letter of conformance is to confirm that processes exist, which satisfy the requirements of IATF 16949:2016.

This letter of conformance is being issued for the following site:

Advanced Nitriding Solutions  
1688 Lammers Pike  
Batesville, IN 47006

Advanced Nitriding Solutions has contracted with EAGLE to perform the initial audit activity. EAGLE is recognized by the IATF to conduct audits to IATF 16949:2016 and issue letters of conformance to clients for IATF 16949:2016.

The site has completed an initial audit with no open nonconformities.

This letter of conformance issue date is October 29, 2018.

This letter of conformance is valid until October 28, 2019.

If you have any questions, please contact me.

Thank you,

Chris Miller  
Chief Technical Officer
